

## V-Tech Celebrates 7th Anniversary

**November 2007 Silver Spring, MD** - V-Tech Solutions, Inc. (V-Tech) celebrated its 7<sup>th</sup> anniversary on November 1, 2007 at the Ritz Carlton in Pentagon City. The celebration included staff, valued clients, and community leaders. Victor P. Holt, President and CEO of V-Tech, shared the importance of closing out one era of V-Tech as the company prepares to move into the next. Holt said, "An old cliché states, 'Anything worth doing is worth doing well,' I am proud to say, as V-Tech celebrates its 7<sup>th</sup> anniversary, that cliché still continues to drive us into the future. It contributes to our corporate slogan 'Excellence at Work', being better tomorrow than we were yesterday. I have heard it said when you want to succeed you cannot afford to take shortcuts. Taking shortcuts leads to imperfection and inadequacies. That's why at V-Tech we always strive for the best, even if it requires a little more time and effort."

Attendees enjoyed a delicious brunch and musical selections from a jazz quartet. One of the highlights of the event was the coveted Weekend Getaway at the Ritz Carlton and Red Door Spa Gift Certificates giveaways. Employees and clients alike waited to hear their names called. Guests have already begun RSVPing for next year's brunch. Congratulations to the team for a memorable event.

### About V-Tech

As a VA– certified Veteran–owned Small Business (VOSB), V–Tech provides high quality Data Center Services, IT Security, and Service Desk Support to our DoD, Federal, State, and Local clients. We begin by developing a "True Partnership in Excellence" with each engagement using our ISO–based FACE approach: Focus on quality, Accountability through proven service management methods, Commitment to quality, and improving systems and services with strategic Execution to deliver program improvement to our clients. Our certified IT service management system brings together the latest technologies and seasoned industry certified professionals to provide our clients with the expertise and experience needed to minimize client risk and overcome today's IT challenges.

V-Tech provides experienced, customer-focused professionals to meet the outsourcing, consulting and staffing needs of our clients. We bring proven technical and management expertise, industry certifications, financial strength, and a unique ability to collaborate with our clients. Our company slogan, "Excellence on Display," exemplifies V-Tech's commitment to ensuring that our clients meet their program objectives as we improve their agility, cut costs, and reduce risks.
