

V-Tech Wins 8(a) Homeland Security Contract

October 2007 Silver Spring, MD - V-Tech Solutions, Inc. (V-Tech) has won an award for close to \$3.5 million from the United States Department of Homeland Security (DHS), U.S. Immigration and Customs Enforcement (ICE), to support the ICE Law Enforcement Support Center (LESC). V-Tech will provide a cadre of phone agent representatives to augment existing ICE telephone operations at the LESC.

Victor P. Holt, President and CEO, declares this a “major win” for V-Tech. “With over two years in the U.S. Small Business Administration (SBA) 8(a) program, V-Tech has won its second sole-source award,” said Mr. Holt. “This program truly allows small minority-owned businesses to compete and contribute to the nations’ economy. As a veteran-owned business, we are particularly pleased to contribute to the nations’ national security efforts.”

About V-Tech

As a VA– certified Veteran–owned Small Business (VOSB), V–Tech provides high quality Data Center Services, IT Security, and Service Desk Support to our DoD, Federal, State, and Local clients. We begin by developing a “True Partnership in Excellence” with each engagement using our ISO–based FACE approach: Focus on quality, Accountability through proven service management methods, Commitment to quality, and improving systems and services with strategic Execution to deliver program improvement to our clients. Our certified IT service management system brings together the latest technologies and seasoned industry certified professionals to provide our clients with the expertise and experience needed to minimize client risk and overcome today’s IT challenges.

V–Tech provides experienced, customer–focused professionals to meet the outsourcing, consulting and staffing needs of our clients. We bring proven technical and management expertise, industry certifications, financial strength, and a unique ability to collaborate with our clients. Our company slogan, “Excellence on Display,” exemplifies V–Tech’s commitment to ensuring that our clients meet their program objectives as we improve their agility, cut costs, and reduce risks.
