

V-Tech Solutions, Inc. Wins SeaPort-e Prime Contract

Win allows V-Tech Solutions, Inc. to expand services to the Navy and other Department of Defense agencies

August 11, 2010 Silver Spring, MD — On July 15, 2010, V-Tech Solutions, Inc. (V-Tech), an Information Technology (IT) and Professional Services company headquartered in Silver Spring, MD, was awarded a prime contract under the SeaPort-e contract vehicle in Zones Two (2) and Six (6). Of the 22 functional areas included in SeaPort-e, V-Tech will perform services under the following categories:

- Engineering, System Engineering, and Process Engineering Support
- System Design Documentation and Technical Data Support
- Software Engineering, Development, Programming, and Network Support
- Configuration Management (CM) Support
- Quality Assurance Support
- Information System (IS) Development, Information Assurance (IA), and Information Technology (IT) Support
- Program Support
- Functional and Administrative Support

“For any small business providing IT and professional services in the Defense sector, holding a SeaPort-e prime contract is essential to driving business growth and opportunity at the Navy,” said Victor P. Holt, President and CEO of

V-Tech. “For V-Tech, this means that we can continue to provide high-quality solutions to an even wider range of Navy clients and expand our footprint in the DoD market to support warfighters.”

In addition to the SeaPort-e contract, V-Tech is currently working for the Navy at the Naval Research Laboratory providing Cyber Security and Information Assurance services and DIACAP support for operational and research and development networks.

About V-Tech

As a VA- certified Veteran-owned Small Business (VOSB), V-Tech provides high quality Data Center Services, IT Security, and Service Desk Support to our DoD, Federal, State, and Local clients. We begin by developing a “True Partnership in Excellence” with each engagement using our ISO-based FACE approach: Focus on quality, Accountability through proven service management methods, Commitment to quality, and improving systems and services with strategic Execution to deliver program improvement to our clients. Our certified IT service management system brings together the latest technologies and seasoned industry certified professionals to provide our clients with the expertise and experience needed to minimize client risk and overcome today’s IT challenges.

V-Tech provides experienced, customer-focused professionals to meet the outsourcing, consulting and staffing needs of our clients. We bring proven technical and management expertise, industry certifications, financial strength, and a unique ability to collaborate with our clients. Our company slogan, "Excellence on Display," exemplifies V-Tech's commitment to ensuring that our clients meet their program objectives as we improve their agility, cut costs, and reduce risks.

About SeaPort-e

SeaPort-e is the Navy's electronic platform for acquiring support services in 22 functional areas including Engineering, Financial Management, and Program Management. The Navy Systems Commands (NAVSEA, NAVAIR, SPAWAR, NAVFAC, and NAVSUP), the Office of Naval Research, the United States Marine Corp, and the Defense Threat Reduction Agency (DTRA) compete their service requirements amongst 1800+ SeaPort-e IDIQ multiple award contract holders. The SeaPort-e portal provides a standardized, efficient means of soliciting offers from amongst the diverse population of large and small businesses and their approved team members. All task orders are competitively solicited, awarded, and managed using the SeaPort-e platform. Since nearly 85% of its contract-holders are small businesses, the SeaPort-e approach to acquiring services provides opportunity that fuels the Nation's engine of job growth. Simply stated, SeaPort-e provides an efficient and effective means of contracting for professional support services and enhancing small business participation.
